

## Nature Tours

Explore the amazing variety and beauty of Lesvos off the beaten track! Private nature tours by 4x4 to every corner of the island.

For example to the fairy tail forest in the central west part with the yellow rhododendron, the peak of Mount Ilias, to the deserted sandy beach of Kambos, and to Ancient Andissa, where the head of Orpheas washed ashore.

Or to the crater of the Agra's volcano, the beaches of Podaras and Chroussos, Makaras, Apothikes.

What about the ruins of the Ottoman village Klapados (where the last battle for the liberation of Lesvos took place in 1912), the wild horses at the central plateau south from Mantamados and the Lepetimnos mountains.

We drive to the impressive marble top of Mount Olympos, chestnut forest, quartz crystals at Karionas, the mineral beach of Melinda and 'Aristotle's Lagoon': the Gulf of Kalloni.

Explore the Gulf of Gera, along fish farms, the beautiful beach of Agios Ermogenis, through the pine forest to the summit of Profitis Ilias Pteroundas with an amazing view over the capital Mytilini.

Visit Agii Anargyroi, the cave of Michou, along the south coast to the beach of Tsilia, lunch in Avlonas and back along the west coast of Gera's Gulf.
